# Test Closure Report

## 1. Project Overview

- **Project Name:** Amazon Manual Testing

- **Testing Period:** 1/1/25 to 1/5/25

- **Tester:** Esk E Alam

## 2. Test Summary

- **Total Test Cases:** 119

- **Passed:** 119

- **Failed:** 0

- **Blocked:** 0

- **Defects Found:** 0

## 3. Defect Summary

- **Total Defects Logged:** 0

- **Defects Fixed:** N/A (Defect fixing out of project scope)

- **Outstanding Defects:** 0

## 4. Test Execution Details

- **Test Cycles Completed:** 1

- **Retests Conducted:** N/A

## 5. Key Findings and Recommendations

- **Key Findings:**

  - All tested functionalities met the expected behavior

.

- No defects were identified during testing

.

- **Recommendations:**

- Continue to monitor for potential edge cases and unexpected behaviors in production.
- Expand test coverage to include performance and load testing in future iterations.
- Include accessibility testing to ensure compliance with WCAG standards.
